

BUSINESS AS USUAL?

That's never been our style here at
Sarasota Orthopedic Associates

From pioneering and perfecting the latest and most successful advances in orthopedic medicine to recruiting the most accomplished medical talent, we are constantly working to improve the quality of our care and the medical outcomes for our patients.

Toward that end, we are pleased to introduce the latest addition to our team, **Julie Gladden Barré, MD.**, Fellowship Trained and Board Certified Sports Medicine Orthopedic Physician.
